Welcome Priyanka Devanathan!

This is your personal cubicle where you'll Learn-Apply & Implement Microsoft Cloud Skills. You are required to watch the Microsoft Azure Overview along with any of the other videos.

Internship Deadline: November 10, 2023

Explore these sessions by industry experts, across different verticals to prepare yourself to join the future workforce. Ensure you watch An Overview of Microsoft Azure + any one of the other 4 Industry Videos to complete the industry sessions section.

Please make sure you watch the video entirely at one go. A page refresh, increased playback speed, or jumping ahead in the video will erase your progress.

Explore these sessions by industry experts, across different verticals to prepare yourself to join the future workforce. Ensure you watch An Overview of Microsoft Azure + any one of the other 4 Industry Videos to complete the industry sessions section.

Please make sure you watch the video entirely at one go. A page refresh, increased playback speed, or jumping ahead in the video will erase your progress.

An Overview of Microsoft Azure*

Duration: 18:43 Status: Complete

Microsoft Azure's cloud-based services provide businesses with the flexibility to scale their infrastructure on demand, reducing costs and improving performance, while offering a range of capabilities such as compute, storage, database hosting, account management, and emerging technologies like AI and IoT.
